BREEDING SHED REQUIREMENTS

BOOKING HOURS: Monday – Friday: 8am to 4pm / Saturday & Sunday: 8:30am to Noon

BREEDING TIMES: 9am & 2pm (6pm - when necessary)

SHED LOCATION: 596 Moores Mill Road

- **All mares must have a halter and/or neckstrap with nameplate or identification tag.** Each mare must be accompanied to the breeding shed by an employee of the mare's boarding farm.
- Please leave foals at home unless absolutely necessary. If the foal must accompany the mare please call ahead and notify the stallion manager so arrangements can be made. Thank you.
- **DOUBLES** – May be available 3 days post initial cover. Preference is given to first trip mares – Mares booked for a double may be bumped at short notice.

PAPERWORK REQUIRED FOR BOOKING:

- Completed Contract and Mare Info Sheet must be on file in our office before any mare will be booked.
- Written authorization from the shareholder must be on file before any mare will be booked on a privately sold season.

BREEDING SHED REQUIREMENTS:

**** WE DO **NOT** USE BREEDING SHED FORMS ****

**** DO NOT SPRAY MARES WITH SHOWSHEEN OR FLY SPRAY PRIOR TO COMING TO THE SHED!! ****

DOMESTIC MAIDEN MARES: A negative uterine culture within 60 days of initial cover and before returning for third and subsequent covers. All maidens must be jumped before coming to the breeding shed. *Please remove hind shoes prior to coming to the shed.*

DOMESTIC BARREN or NOT BRED MARES: A negative uterine culture within 60 days of initial cover and before returning for third and subsequent covers.

DOMESTIC FOALING MARES: No tests are required for the first or second cover, unless mare had a foal, which was born dead or died within 7 days of birth. A negative uterine culture within 30 days of last cover for third and subsequent covers.

IMPORTED MAIDEN MARES: All fillies of foreign origin must comply with the USDA and Kentucky Department of Agriculture regulations. A copy of the Quarantine Release must accompany the mare on her first trip to the Breeding Shed. The mare must be bred last in line for the session.

IMPORTED FOALING or BARREN MARES: Contact the State Veterinarian's Office in Frankfort KY regarding testing procedures and acquisition of quarantine releases. A copy of the Quarantine Release must accompany the mare on her first trip to the Breeding Shed. The mare must be bred last in line for the session.

RETURN COVERS: No requirements for second covers. A negative uterine culture within 30 days of last cover is required when returning for third and subsequent covers.

DOUBLES: No requirements (I.D. only).

**** PLEASE NOTE ** - All mares being bred must be vaccinated within 7 to 90 days prior to breeding for Equine Herpes Virus Type 1 (i.e. Rhinomune). A statement to this effect needs to accompany the mare to the shed – may be included on culture sheet.**
